FISH AND GAME DEPARTMENT

1962 MONTANA MIGRATORY WATERFOWL REGULATIONS FOR PACIFIC FLYWAY PORTION WEST OF THE CONTINENTAL DIVIDE

By order of the Montana Fish and Game Commission, the State of Montana west of the Continental Divide is opened to hunting of migratory waterfowl under the regulations listed below:

DUCKS:

Open Season: Noon, Oct. 14, 1962 until sunset and daily thereafter from one-half hour before sunrise until sunset. Season closes Dec. 27, 1962 at sunset.

Daily & Possession Limit: Daily and possession limit of five ducks. No more than two wood ducks and one hooded merganser may be included in the daily or possession limit. No convasbacks or redheads may be taken.

Coots: The daily limit and possession limit will be 25 coots.

Mergansers: In addition to the bag limit on other ducks, the daily limit of red-breasted and/or American mergansers will be five and the aggregate possession of mergansers after the first day is ten.

GEESE:

Open Season: Oct. 14 at noon until sunset and daily thereafter from one-half hour before sunrise until sunset. Season closes Dec. 27, 1962 at sunset.

Daily & Possession Limit: The daily and possession limit will be six geese. Not more than three dark geese will be allowed in the daily or possession limit.

All of Montana will remain closed to hunting of Ross's geese.

MEANS OT TAKING: (Both Flyways)

Migratory waterfowl may be taken only with bow and arrow, or with a shotgun not larger than ten gauge and incapable of holding more than three shells fired from the shoulder. Migratory waterfowl may not be taken from or by means, aid or use of a sinkbox (battery), motor-driven conveyance, motor vehicle or aircraft of any kind. Use of any electronic or phonographic waterfowl calling device is illegal.

1962 MONTANA MIGRATORY WATERFOWL REGULATIONS FOR CENTRAL FLYWAY PORTION EAST OF CONTINENTAL DIVIDE

By order of the Montana Fish and Game Commission, the State of Montana east of the Continental Divide is opened to hunting of migratory waterfowl under the regulations listed below:

DUCKS:

Open Season: Noon, Oct. 14, 1962 until sunset and daily thereafter from sunrise until sunset. Season closes Nov. 8, 1962 at sunset.

Daily & Possession Limit: Daily limit of two ducks and after opening day a possession limit of four ducks. The daily bag limit may not include more of the following species than (a) one mallard duck, (b) two wood ducks (c) and one hooded merganser. The possession limit may not include more of the following species than (a) two mallard ducks, (b) two wood ducks and (c) one hooded merganser. No canvasbacks or redheads may be taken.

Coots: The daily limit and possession limit will be six coots.

Mergansers: In addition to other bag and possession limits, two additional scaup ducks are allowed in the daily bag limit and four additional scaup ducks are allowed in the possession limit. A daily bag limit of five American and/or red-breasted mergansers and a possession limit of ten (singly or in the aggregate of both kinds) may be taken.

GEESE:

Open Season: Oct. 7, at sunrise until sunset and daily thereafter from sunrise until sunset. Season closes Dec. 5, 1962 at sunset.

Daily & Possession Limit: The daily and possession limit will be five geese. Not more than (a) two Canada geese (or sub-species); (b) one Canada goose or sub-species and one white-fronted goose may be in the daily or possession limit. In no instances may more than one white fronted goose be in possession.

All of Montana will remain closed to hunting of Ross's geese.

WATERFOWL CLOSURES: Beaverhead, Gallatin and Madison counties will remain closed to hunting of snow and blue geese. Other closures include: McLaren Reservoir Waterfowl Closure in Blaine county; North Chinook Reservoir in Blaine county; Tongue River area in Custer county; Musselshell River Closed Area in Golden Valley county; a portion of Freezout Lake Waterfowl Development Area in Teton county; Yellowstone River Closed Area in Rosebud, Treasure and a portion of Custer county.
